

Thanks a Million! Dadar Parsi Colony

Dear Colonites,

I am truly touched by the support you all have shown by being a part of the event held at the Palamkote Hall, Dadar Parsi Colony on 22nd August 2008.

After having listened to some of the specific concerns that we as a community face in Dadar Parsi Colony, I have decided to further discuss them and come out with solutions that can be put in place for the betterment of our community.

I would have sincerely liked to invite the entire colony residents, but due to lack of space at the venue we were constrained to invite only the voters.

With your support and blessings I will be able to address the concerns and complete the task that I have set out - to take our community towards greater prosperity and stability.

If there are some doubts that remain, please ask me and I will address each of them.

Thank you once again.

Sincerely,

Jimmy Rusi Mistry

Mrs. Mithoo Jimi Jesia

Jimmy is the one person who firmly believes that Parsi property should be in the hands of Parsis and he will fight tooth and nail for it."

Dr.Er.Ramiyar Karanja

“Jimmy will make a wonderful Parsee Panchayet trustee - a man who is easily approachable, a man who keeps his word, a man who will bend backward to help.”

Mr. Navroze Siganporia (Sigi Sir)
