## Mobed Sahebs

Vaahla Mobed Saheb,

I am truly touched by the support you all have shown by being a part of the event held at the ITC Grand Central, Parel on 31st August 2008.

After having listened to some of the specific concerns which the Mobeds are facing, I have decided to personally discuss them and come out with solutions that can be put in place for the betterment of the Mobeds.

With your support and blessings I will be able to address the concerns and complete the task that I have set out - to take our Mobeds towards greater prosperity and stability.

If there are some doubts that remain, please ask me and I will address each of them.

Thank you once again.

Sincerely,

**Jimmy Rusi Mistry**

**Mrs. Mithoo Jimi Jesia**

(Trustee, Mancherji Joshi Edulji Joshi Memorial Trust)

“Jimmy always liked the Mobeds and he wanted to do things for the betterment of the Mobeds. He started the schemes for the Mobeds that have helped them to have a better life. He has even renovated the Rustom Faramna Agiary at Dadar Parsi colony without anybody telling him to do so, because he cares for his religion. I support Jimmy and I stand by him because in him I see dedication and commitment to the community, the very hallmarks of a good BPP trustee.”

**Dr. Er. Ramiyar Karanjia**

(Principal, Dadar Athornan Madressa)

“A person like Jimmy who always has the interests of the religion and community at heart will never tamper with any time-tested traditions. I have no doubt about Jimmy's passion for preserving the religion, community, culture and customs. He has changed the scene of social service in the community. He has the vision and ability to change the face of the community.”

**Er. Mehernosh Bharucha**

“Jimmy has started walking on an uncharted path; he has made a new path for us. Nobody has ever ventured like this at such a magnitude. Many Mobeds’ families in the interiors have been facing problems such as medical, food and education, all this was taken care by the Schemes introduced by Jimmy in his Mobeds Association. For the first time a data base has been created of the Mobeds throughout India, which was not done till now. This data will surely help in enhancing the life of all the Mobeds. The schemes are so thoughtfully charted out that the whole spectrum of Mobeds has been covered and this is unprecedented. What Jimmy has done is phenomenal.”

**Er. Homi Govadia**

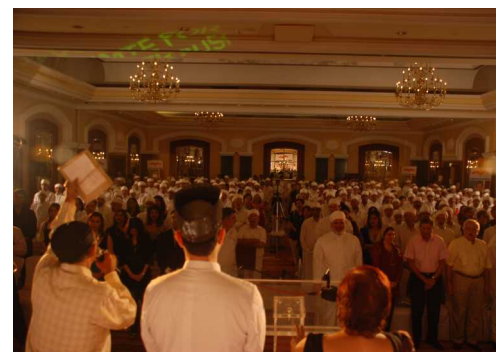

“People who are close to our heart, we want to do good things for them. Jimmy wanted only the best for the Mobeds as they are very close to his heart. If you place Jimmy in the BPP, all the Mobeds will have a representative in BPP. It is good for our future and the problems faced by us will be handled in a proper way by him”

**Mr. Rustom Tirandaz**

(Ex BPP Trustee)

“This man represents the future. You should vote for Jimmy, because he shows you the great opportunity of the time to come of the community”
