**Jimmy Rusi Mistry**

**Dr. Er. Ramiyar Karanjia**  
(Principal, Dadar Athornan Madressa)

“Jimmy has done a lot for our priests, fire temples and our youth. Now he wants to go-ahead and work for the whole community on a broader larger spectrum for which we all should help and support him. Jimmy has been putting in one crore every year in the schemes for the Mobeds Association. No individual in the Parsi community has done so much for so many in such a short time. He dares to do things, which others only have talked about.”

**Mrs. Kumie Daruvala**  
(Pres. Emeritus Rustom Baug Association)

“Jimmy Mistry's sole desire is to make the new Parsi Panchayet hold their head high with honour and lead the community, especially the youth who will make a better tomorrow. Let us all young and old, rich and poor bind together and work for the better tomorrow. I support Jimmy and wish him all the best.”

**JIMMY RUSI MISTRY FOR BPP TRUSTEESHIP**

**Mrs. Mithoo Jimi Jesia**  
**(Trustee, Mancherji Joshi Edulji Joshi Memorial Trust)**

"I support you and I stand by you because in you I see dedication and commitment to the community, the very hallmarks of a good BPP trustee. I shall always be with you. Jimmy is the one person who firmly believes that Parsi property should be in the hands of Parsis and he will fight tooth and nail for it."

**Mr. Rustom Tirandaz**  
**(Ex BPP Trustee)**

"We don't have a member of parliament who is a Parsi. I see in Jimmy Mistry a seat for the Parsis in the parliament. Jimmy will bring about the much needed change in the BPP and the Parsi community."

**Mr. Behram M Sorabjee**  
**(Businessman)**

"I have known Jimmy for last fourteen years and have seen him working really hard. Nobody can grow his business without putting in hard work. Jimmy has excellent organizing skills; this talent will be of good help for our community and the BPP. I am sure if Jimmy gets elected in the BPP, we will see a lot of difference in the working of the Panchayet."

**Mr. Daara Patel**  
**(District Governor, Lions)**

"A young visionary who thinks big, he's perceived as a person who thinks very big, he wants to fly high, but people forget that he just doesn't want to fly high himself, he wants the entire Parsi community to fly high. Yet he wants to keep his feet firmly on the ground that is somebody we want to look up to. He is very dynamic, energetic and full of new ideas. Here is a young man who has not received much from the society but has started giving back manifold. So you can imagine what we can expect from him. Let us look forward to Jimmy leading the community, let us look forward to Jimmy occupying his rightful seat in the Parsi Panchayet. I am with Jimmy."

**Mr. Vispi Mistry**  
**(Proprietor & Founder Of Talisman Placement Services)**

"Jimmy has done a lot for the community; Jimmy can do a lot if we put him in BPP"

**Ms. Nilofer Mistry**

"With all his hard work he has come to where he is today. His life should be an inspiration for our youth. I am sure he will do a lot for our community, once he is in BPP"

**Mrs. Hutoxi Dudhwala**

"In PRG we have got volunteers from seventeen to seventy, each one in their own capacity putting in whatever, whichever kind of work that they can do. Jimmy has been good at delegating the work to the right volunteers and getting it done without any mistakes. I see a leader in Jimmy. He is what we need to lead our community."
